

HELPING DELIVER THE SIKH AGENDA

In September 2006, on the third anniversary of the establishment of the Sikh Federation (UK) we will be announcing the setting up of a permanent office to take forward an ever increasing workload and respond to the growing demands on the Federation. The office will be funded by standing order donations from the Sangat.

Individual members of the Sangat are requested to donate £10, £15, £20 or more a month that will be directed to funding the setting up and running of a permanent office. Gurdwaras can also use this simple method to donate suitable amounts on a regular basis on behalf of the Sangat.
